Sharkoon

Rapid-Case series
3.5" external enclosures with various interfaces

Features:
- Suitable for 3.5" HDDs (IDE/SATA)
- Access your data on any PC
- Plug & Play
- Sturdy Aluminum case
- No drivers needed for Windows ME/2000/XP
- Desktop stand for stable set-up
- Power button
- Accessories: USB cable (plug A / plug B), manual (8 languages), desktop stand, power supply, screw driver

Highlight:
With the new Rapid-Case series SHARKOON offers an economically priced range of external cases for HDDs.
The cases provide internal connectors for IDE or SATA HDDs. As external interfaces USB or the combination USB&eSATA are supported. HDD mounting is very simple and convenient. The cases may be operated either upright (using the included desktop stand) or lying flat on the desk. They are available in silver or black color.

Connectors:
- Intern: IDE or SATA
- Extern: USB or USB/eSATA combination
